3 Things Your Interviewer Wants to Hear

Here are three phrases and examples of how you can use them in your interview.

PHRASE:

“Accountable leader.”

EXAMPLE: “I consider myself an accountable leader who takes personal ownership of the projects I manage/am staffed on.”

PHRASE:

“Innovative and collaborative work.”

EXAMPLE: “I enjoy doing innovative and collaborative work that provides real value to customers. In my last role, I [insert example]”

PHRASE:

“Frontier Communications is setting the tone for the industry.”

EXAMPLE: “I love that Frontier Communications is setting the tone for the industry by offering innovative services, fast speeds and unlimited customer support.”

What's New At Frontier Communications

CEO Bernard L. Han was unanimously appointed in December 2019. He previously served as CFO and COO at DISH Network.

Frontier reports that the benefits of their residential packages — and what sets them apart in the industry — are their steady connection, unlimited data, simple pricing options and unlimited tech support

3 Things to Research Before Your Interview

Your role.

What team will you be on, how does your role serve the company and how can your unique talents provide value?

Your interviewer.

Who is interviewing you and how can you connect with them?

Frontier's competitors.

What is Frontier doing better and how can they improve? Brainstorm how your role contributes to what is going right.

3 Unique Questions to Ask at End of Your Interview

What is one innovative product/project this team is working on and how would my role contribute to that?

How would you define success in this role after 30 days? 90 days?

How long have you been at Frontier Communications? How has your career developed here?
