### Most Interesting Tidbit

3M, the manufacturing powerhouse, was founded in 1902. It produces over 60,000 products under several world-famous brands and operates in more than 70 countries.

## Our Favorite Review

Anonymous shared this review of **3M**, United States on May 31st, 2019

*"3M is a fantastic place to build an exciting and varied career. The number of different industries and fields all within the same company is a huge asset. It sets the stage for collaborative problem solving, which is great for someone who loves the thrill of a new challenge. I also appreciate our increasingly global approach to business and the opportunities I've had to travel. As a woman and an LGBT employee, I have always felt welcomed and supported. "*

**Overall Job Satisfaction:**

**5.0**

**Are women & men treated equally?**

"Yes"

---

**Does the CEO support gender diversity?**

"Yes"

## How to Say “Why I’m Excited to Work at 3M”

**“3M makes a difference”** – 3M uses science and technology to address global challenges and improve lives. 3M launches about 1,000 new products each year and since 2019, every new product has a Sustainability Value Commitment that demonstrates how it drives impact for the greater good.

**“3M is a leading company”** – 3M is a global company with a rich, 116 year-long legacy. It operates in many diverse industries, including the healthcare, transportation and consumer products industries.

## Unique Questions to Ask at the End of Your Interview

“Based on the company’s culture of learning and commitment to professional development, what training opportunities are available to employees who wish to grow at the company?”

“3M has its hands in many industries and serves both consumers and enterprises. How do these divisions of the company work together? What opportunities have you pursued across these different divisions of the business?”
